

The diagram shows a large container box labeled 'RowBuddy' at the top. Inside this container, there are four separate components, each consisting of a small square icon followed by a rectangular text box. The components are arranged vertically. The first component is 'RowBuddy - Online Storage', the second is 'RowBuddy - Report Generator', the third is 'RowBuddy - Route, Event Logger', and the fourth is 'RowBuddy - Member's Profile'. There is also a small square icon at the top left of the container, outside of any text box.

RowBuddy

RowBuddy - Online Storage

RowBuddy - Report Generator

RowBuddy - Route, Event Logger
